

Along The Lloyd:

EPWORTH DISPLACED LEFT TURN EVENT

When

Tuesday, July 23
From
5-7 p.m.

Where

Evansville Christian School
10644 Lincoln Avenue,
Newburgh, IN 47630

Here's your chance to take the new **Epworth intersection** for a test drive before it opens! Please join **INDOT** and the **Lloyd4U** team for a **displaced left turn education event**. Walk through a large visualization of the intersection and familiarize yourself with this innovative improvement. You can get a closer look at **maps of the intersection** and watch **videos** that give a driver's perspective. Epworth is the first of four displaced left turn intersections coming to the **Lloyd Expressway**. Join us and learn more about the improved efficiency and added safety coming to **Epworth** and the **Lloyd** in mid-August.
